DINING:

The Full American Plan rates include three meals per night of stay, including gourmet dinner on the night of arrival and lunch (or boxed lunch) for the travels home, if requested. They also include regular, non-alcoholic beverages and some scheduled snacks and hors d'oeuvres per the Chef.

Comfortably seated at tables of all sizes, diners witness breathtaking views of the sun setting over the forest hills, as rosy pinks, fuchsias, peach oranges and cascading indigos paint the sky just across the lake. In the morning, enjoy a cup

of coffee and fresh pastries on one of the Lodge's rocking chairs out on the deck with a magnificent lake view before a custom, warm breakfast is served in the dining room. Take a boxed lunch out on a forest hike or on the boat, or enjoy the chef's 5-8 lunch selections designed to satisfy any mid-day hunger, whether going to fully relax in the Treehouse Spa afterwards, or headed out on another thrilling adventure like the zip lines. The chef at the Stonewater Cove creates a different, inspired dinner menu each day that contains 2-3 selections of scrumptious offerings. The theme changes nightly from gourmet barbeque to five course dinners and decadent Italian nights.

ACTIVITIES:

Non-guided activities such as canoeing, kayaking, swimming, bocce ball, fishing off the dock, and hiking are part of the Full American Plan stays. Common resort amenities, gardened leisure areas, and non-guided activities are available throughout the main lodge and forested foothills resort property. There is a gazebo for card games between the accommodation buildings, with a creek running underneath, surrounded by gardened landscape, and there is also a day-use pavilion with direct access to the lake swim dock. Spend hours on the swim dock just lounging in the sun with the gentle sounds of nature and the whirr of a boat or two in the distance as others swim in a safely enclosed lake "pool". Or, at the main lodge, relax by the pool or in the lounge and media room as friendly staff serve refreshments and simple, but tasty, menu items for snacking.

Stonewater Cove's a la carte guided activities include leisure boat rides, water sports of many kinds (two skiing, slalom skiing, kneeboarding, wakeboarding, and tubing), ATV rides, zip line excursions, and a low ropes Chevron activity course. Additional activities such as professionally guided fishing trips can be arranged by the resort's concierge. Apart from scheduling these ½ or full day fishing trips (or any spa services) at least 72 hours in advance, guests can choose which guided activities to participate in while at the resort. Sign up times are given daily for the resort's signature guided activities (zip lines, ATV riding, boat rides, and water sports).

TREEHOUSE SPA:

Also a la carte are the resort's relaxing, rejuvenating, and therapeutic spa services at the Treehouse Spa. After a few minutes soaking up the view from the sanctuary treehouse, enjoy a healing touch in your own treehouse, nestled right along the lake with a wall-sized window view of the trees and gentle waters. After a short walk through the woods, step over a small bridge into the resort's elevated grown-up escapes. Custom Massage (deep tissue, Swedish, pre-natal, etc.), Hot Rock Massage, Reike Massage, Add-on Foot Soaks, and Deluxe Lemongrass Foot Treatments are the available services.

CORPORATE RETREATS: Stonewater Cove's Lakeview Boardroom (420sf) comfortably seats up to 20 guests and offers stunning views of Table Rock Lake and a private lake view terrace.
