

Some might say that the kids took over the Miami Family Event, because kids, from toddlers to pre-teens, arrived in breathtaking amounts for a weekend full of fun. They participated in events such as animal encounters, arts and crafts, face painting, video games, basketball, football, hockey, baseball, and photo opportunities with the coveted Miami Heat Championship Trophy. Every sports team was present, along with the many characters who enjoyed interacting and taking photos with kids such as: Scooby Doo, Roary from FIU, Maru & Friends, Gigi the Giraffe and Kaz the Rhino from Zoo Miami, and many more.
