BLACK AND WHITE WITH A TOUCH OF RED......and a side of mimes. The perfect description for the fun-filled night that marked the start of the first-ever annual, Miami Family Event. Celebrities, talents, and patrons all attended the VIP party to honor the event's sponsors and celebrate the newfound partnership between the Miami Family Event and the American Heart Association. Drinks, good food, laughs and smiles summed up a night that will be remembered as the start of a great opportunity for the community and its people.
