

# Fundraising Simplified.

Essential Fundraising Technology for Nonprofits.

**Save more time** with our cloud-based fundraising, donor management and communications solutions. All of our technology speaks to each other, eliminating complex configurations and manual data entry. Already have a database? No problem. Our solution plays nice with your existing framework.

**Save more money** with dynamic fundraising tools that can be deployed into your site in minutes. Our patent pending technology keeps your website fresh and up to date without technical knowledge, saving your organization thousands of dollars in web development costs - all while paying 0% processing fees.

**Raise more funds** than ever before with our Cause Marketing Engine (CME). The CME gives you instant access to hundreds of popular retailers, so you can raise up to 20% of your supporters' everyday online shopping - right through your website!

Engage Your Community. Fund Your Cause.

# The need for **SPEED**

Deploy a full suite of fundraising tools on your website - *in minutes.*

Flipcause helps nonprofits raise more funds and support by providing **essential** fundraising tools that can **dynamically** be added to any nonprofit website - without technical experience.

## CASE STUDIES

### Arizona Developmental Services

Arizona Developmental Services, a day treatment and training program for young adults with disabilities, has used Flipcause since their inception. Flipcause has helped them to get the word out about their nonprofit while giving their network numerous ways to show their support. They have raised thousands of dollars by accepting donations and taking advantage of hundreds of built-in merchant sponsorships on Flipcause.

*"We are extremely happy with our experience with Flipcause! It has helped us to get the word out to people, and gives them a fun place to donate, shop, and learn about our organization."*

- Jessica Spencer  
Director, ADS

### Mariposa Kids

Mariposa Kids is a child care enrichment organization for San Francisco youth. To expand their after school programs, they have used Flipcause to accept online donations, sell tickets to fundraising events, recruit volunteers, and raise funds with their supporter's online purchases. By centralizing their fundraising efforts in a single place, they have saved valuable time and resources that they need to spend on their mission.

*"What an awesome product! I've been able to raise funds through donations, events, and online shopping. The parents of my students love this new way to support our programs!"*

- Conrad Moore  
Founder, Mariposa Kids
