

Our Company

We are not-for-profit performance improvement specialists.

We provide products, programs, and services to help not-for-profits increase operational and financial performance. We believe that the work of not-for-profits is of vital importance to the world and we are proud that our expertise helps clients better achieve their missions.

We are a company you can count on.

We are a privately owned company and have been profitable since our founding in 1991. Our financial strength enables us to make significant investments in research and development so that we can consistently deliver best-in-class solutions. It also means you have the peace of mind of knowing that we will always be there to support your organization.

We are your trusted advisor.

Our mission is to create "clients for life." More than 1,000 of our clients have worked with us for ten or more years. When you partner with ASI you can be assured that not only will you receive a solution that meets your needs but you will also be backed by a company committed to your organization's short- and long-term success.
