## Programme Activities:

---

Monday 10th

### **PRE-CONFERENCE FIELD TRIP**

To be held Monday 10 November, the field trip will leave the Jing An Shangri-La at approximately 9:30am for a visit to a facility located within the Shanghai municipality. Lunch and refreshments will be provided and the group will be back at the hotel by 4pm in time for the Welcome Cocktail Reception at 6pm.

Please express your interest upon registration, as numbers will be limited. Further details will be communicated closer to the date.

### **WELCOME COCKTAIL RECEPTION**

The 8th Annual TZMI Congress will kick-off with the Welcome Cocktail Reception on Monday evening. This is a great opportunity for delegates to meet prior to the beginning of formal proceedings on Tuesday. The Welcome Cocktail Reception always has high attendance and is the pre-eminent networking event of the Congress.

---

Tuesday 11th

### **PARTNER ACTIVITY DAY - 'Highlights of Shanghai'**

The Partner Activity Day is a great way for delegates' partners to see some of Shanghai's sites in a relaxed and organised way. Meeting in the lobby of the Shangri-La on Tuesday morning, a professional guide will take the group for a day of sightseeing, lunch and shopping. This is always an enjoyable day out for all involved.

---

Friday 14th

### **FOCUS ON CHINA - in conjunction with China National Chemical Industry Productivity Center Titanium Dioxide Branch**

In addition to delegates having the opportunity to experience updates of global developments across the industry, a special day has been added to the programme to provide a deep dive into China.

This will be a unique experience to understand important industry factors from a Chinese perspective, and also gain a greater knowledge of this important geographical influence.

#### **Registration includes entry to all sessions of the Day**

- + Lunch and tea breaks during programme
- + One ticket to the Gala Dinner
- + Printed delegate list
- + Simultaneous English/Mandarin translation for all presentations
