

FOR IMMEDIATE RELEASE

## BioTerra Herbs Awarded Non-GMO Project Verification on Entire Line of Herbal Supplements

July 1, 2014: Irwindale, CA – BioTerra Herbs®, a California-based company passionate about clean and honest herbal products, showed its true colors this week with the announcement of its entire line of herbal supplements passing the rigorous and independent, third party Non-GMO Project Verification process!

“Non-GMO Project Verified affirms BioTerra Herbs’ passion and never-ending strive for providing only the best herbal products possible,” said Jerry Chou, CEO, BioTerra Herbs. “With this exciting feat under our belt alongside our time-tested herbal formulas and side-splitting packaging, BioTerra Herbs is now a triple threat. The entire line of herbal supplements that cover health issues consumers see every day, prove to be the healthiest alternative to supplementing a healthy, honest, and happy lifestyle.”

BioTerra Herbs’ product line includes:

- Energy “boing” - boosts energy without stimulants\*
- Sleep “z-z-z” - relieves occasional sleeplessness and promotes restful sleep\*
- Snoring “shush” - reduces snoring, improves quality of sleep\* and is known as a “spouse’s best friend”
- Mental Focus “huh?” - boosters for mental clarity and supports concentration\*
- Digestion “belch” - reduces bloating & gas, and relieves stomach discomfort\*
- Vision “zoom” - promotes eye health and supports visual function\*
- Stress “gahh” - mastering everyday stress and is upliftment for men & women\*

- Immunity “zap” - supports immune system & response\*
- Detox “ahhh” - eliminates toxins, is a gentle internal cleansing and supports liver function\*.

[The Non-GMO Project](#) is a non-profit organization committed to preserving and building sources of Non-GMO products, educating consumers, and providing verified Non-GMO choices. The Non-GMO Project offers North America’s ONLY third-party verification for products produced according to rigorous best practices for GMO avoidance.

## **About BioTerra Herbs**

BioTerra Herbs is a new (and, quite frankly, awesome) company that provides healthy, drug-free herbal supplements that are as active as you are. All products are strictly herbal, vegan, gluten-free and now Non-GMO Project Verified! These symptom-based herbs not only help your body’s natural healing process, but also help your quality of life and overall health. Learn more about BioTerra Herbs at [BioTerraHerbs.com](http://BioTerraHerbs.com) and find them actively spreading the herbal love across social media! You can snag a bottle of your own online at superstores [DrugStore.com](http://DrugStore.com), [AbesMarket.com](http://AbesMarket.com) & [Walgreens.com](http://Walgreens.com). Pretty soon, they will be in a store near you!

Start living better by maximizing your body’s effectiveness... because it’s hard to climb life’s mountains upside down!

Life has hurdles... Go herbal!
