

FOR IMMEDIATE RELEASE

ABD Client Meeting Slated for August 8th

The Exclusive Client Event Will Enhance Software Users' Productivity and Profitability

ROSEMONT, Illinois – July 9, 2014- Automated Business Designs, Inc., developer of **Ultra-Staff** staffing software, has announced the date of their client meeting as Friday, August 8th at the Hyatt Regency O'Hare Hotel. This invitation-only event is exclusively for ABD's **Ultra-Staff** staffing software users. Attendees will be able to view product demos, experience new feature presentations, and gain valuable insight into the staffing industry.

ABD's flagship software, **Ultra-Staff**, provides fully integrated front office, back office, and web suite solutions. The ABD Client Meeting provides a look into new and developing features surrounding **Ultra-Staff** and serves to enhance the knowledgebase of all attendees, whether they are "power users" or novices. The event is free to attend and is open to all current **Ultra-Staff** customers.

Topics to be covered at the Client Meeting include Web Portals, Going Mobile with **Ultra-Staff**, as well as previewing the latest innovations and capabilities of Front and Back Office. **Ultra-Staff's** "Affordable Care Act" Module will also be highlighted, with a guest speaker providing an overview. In addition, special keynote speakers will be on hand to present ways staffing firms can increase their SEO ranks and web presence.

"**Ultra-Staff** customers enjoy coming to the ABD Client Meeting for many reasons," said Terri Roeslmeier, President of Automated Business Designs. "It provides the opportunity to network with other users, find out about the new features and products, and attend learning sessions to get the most out of their **Ultra-Staff** staffing software solution."

The ABD Client Meeting takes place at the Hyatt Regency O'Hare, just steps from ABD's corporate headquarters in Rosemont, IL. Guests are able to take advantage of Rosemont's extensive array of entertainment and dining options, all within walking distance of the venue.
