

Discover what your dog can do...Unleash your DogSense

DogSense Online is dog training that is simple, effective and fun. The program guides you in achieving the relationship of your dreams with your dog.

DogSense Online brings step by step guidance through videos where you need it most... into your home or on the go. Our dog behavior tutorials and reward-based training methods are family friendly; even your kids can watch, learn and join in on the fun!

The foundation for our online training is **understanding** your dog, clear **communication** with your dog and **teaching** basic skills to your dog in the comfort of your home or anywhere, anytime with your mobile device. Our online training videos will teach you all the principles you need for teaching a new behavior or modifying the ones you would prefer to live without. Our DogSense Online subscription will give you a simple, easy to follow plan to create a joyful life of loving communication and fun with your furry friend that will last a lifetime.
