Various Artists Reggae Compilation "Sea of Love Riddim, Vol. 1"  
Set for Release on August 5<sup>th</sup>, 2014

SKINNY BWOY/SKINNY BWOY CANADA - The first volume of the 2014 revamp of the classic "**Sea of Love Riddim**" (originally produced by **Sir Coxsone Dodd** for his Studio One label), offers an abundance of great music! Uplifting and positive messages will resonate with each and every reggae and dancehall fan!

The compilation starts off with "**Kiss Me One More Time**" from the wonderful songbird **Twiggi** (best known for her work with Penthouse Records in the mid-90's). It then takes a turn upwards with "**Party Tun Up**" from **Sadiki** and **Third World band** lead singer **AJ Brown**. The brilliant **Pam Hall** (who has released several albums through VP Records), hits the perfect notes with the inspirational "**Freedom Song**". Canada's **Tony Anthony** takes over with "**Friend Zone**". We are then introduced to the splendid voice of **Michelle Buckley** (the sister of singer/songwriter/producer **Sadiki**), making her recording debut with the Reggae Gospel offering "**Prisoners**". British songstress **Helen Rogers** (best known for her work with **Jazzmasters & Paul Hardcastle**), gives us "**Woman Overboard**" in keeping with the theme of the compilation. **Sadiki** is up next (recording under the name **Henry Buckley Jr.** on this track), he belts out the classic "**Sea of Love**" with great conviction. **Likkle Shanx** of the group **Roots Revealers** is up next with the sweet reggae ballad "**Memories**". French trumpeter **Poopa Tribuman** gives us "**Sea of Trumpets**" - a jazzy-reggae, muted-trumpet rendition of "**Sea of Love**". Album Producer **Sadiki** then closes out the segment with the "**Sea of Love Riddim**".
