

## **New Homes for Sale in the Wayzata School District**

July 23, 2014

The Twin Cities' number one homebuilder for the eighth year in a row is excited to offer another great community located in the prestigious and award-winning Wayzata school district. Lennar has just added Copper Creek to its long list of exciting communities in the West Metro area. Nestled in Plymouth, Copper Creek is located near many restaurant and shopping options with easy access to major highways and I-494 for city commuters. True to its name, the community is stunning – with a beautiful creek running nearby, this community offers breathtaking views and private homesites throughout.

With only 25 homesites available, this exclusive community is also competitively priced in the mid \$400,000s. Copper Creek will offer Lennar's Landmark Collection of homes and borders Lennar's existing Enclave community in Medina.

Copper Creek is currently pre-selling from Lennar's Enclave community located at 3009 Basswood Road, Medina. The sales office is open daily from 11:00AM to 6:00PM or by appointment. Visit us today.

Lennar is leading the way in new home construction by including exceptional designs, desirable upgrades, energy efficient features, and home automation in our "Everything's Included" packages. Lennar also implements quality assurance through every step of the home buying process to ensure a satisfactory experience for our customers.
