

# inPharmacy Jobs Announces New Partnership with Pharmacist eLink, NCPA

The screenshot shows the Pharmacist eLink website interface. At the top is a blue navigation bar with the Pharmacist eLink logo and menu items: Home, News, CE, Product Information, Pharmacy Resources, Jobs, Join, and Member Login. Below the navigation bar is a newsflash banner: "Newsflash: FDA Approves NovoSeven RT for the Treatment of Glanzmann's Thrombasthenia (GT) with Refractoriness". To the right is a search bar with a "Go" button. The main content area is titled "Career Center" and features a search filter with a dropdown for "- category -", input fields for "Keywords" and "Location", and a "Search" button. Below the search bar are two job listings. The first listing is for a "Pharmacist" position at "Vann Healthcare Services - Glasgow, KY", described as a 30-year-old compounding pharmacy. The second listing is for a "Pharmacist-in-charge/jr. Partner" position at "Practice Information Undisclosed - Southeast, TN, TN", seeking a junior partner for independent pharmacy ownership. To the right of the main content area is a "Sponsor Highlights" section with a "Post A Job" button and a featured advertisement for NCPA's "Community Pharmacy Supplier Guide" with the text "Joining NCPA benefits your business" and an image of a mortar and pestle.

**RALEIGH, NC - July 11, 2014** - inPharmacy Jobs, the leading provider of job-search and online recruitment services for the pharmacy industry, announced today a new partnership with Pharmacist eLink, powered by the National Community Pharmacists Association.

The partnership creates a new Career Center on Pharmacist eLink, powered exclusively by inPharmacy Jobs. “We are very excited to partner with inPharmacy Jobs to bring pharmacists a comprehensive job site exclusive to the pharmacy industry,” said Nina Dadgar of the NCPA, “This new feature on Pharmacist eLink will provide pharmacists a better solution to search for jobs or to advertise an open position.”

“This is an important new addition to the inPharmacy Network,” said Brad McCorkle, founder of [inPharmacyJobs.com](http://inPharmacyJobs.com), “Industry partnerships are a critical part of what we do, and provide the key differentiator for us from generic job sites. Partnerships like this enable us to provide our users a truly unique and effective resource.”

Additional partners in the inPharmacy Network include: *U.S. Pharmacist* magazine, Power-Pak C.E., and Pharm QD. Each partner in the network, including now Pharmacist eLink, have an exclusive relationship with [inPharmacyJobs.com](http://www.inPharmacyJobs.com) for providing job listings on their sites.
