

Meducate[®]

GI Patient Education Brochures

- Improves inter-office efficiency by saving valuable clinician time
- Facilitates compliance with Medicare's *Meaningful Use* guidelines
- Improves communication effectiveness by combining visual with verbal
- The better educated the patient, the more compliant the patient
- Easy and affordable with 40 topics to choose from

A single resource to help your patients be informed. There are only so many of your words your patients can retain long after they leave your office. Meducate GI Patient Education Brochures include everything needed to help manage their GI condition – it's the next-best-thing to having you by their side 24-7.
