### **THE INSTRUCTOR**

Larry Meadows has over 30 years of experience in manufacturing, and has spent the last 15 years helping transform hundreds of Florida companies. Larry started as an electronics assembler and has owned multiple manufacturing businesses. He now works for the nonprofit FL MEP, helping to make manufacturers profitable in an effort to boost the state's economy. More info about the FL MEP can be found at [www.floridamep.org](http://www.floridamep.org)
