Resort and Poolside Furniture,

Our Resort and Poolside furniture collections are designed to withstand elemental considerations like chlorinated water, ocean spray, and intense UV rays.

Our cushions are custom built using Sunbrella marine grade fabric for maximum life span and continued vibrancy.

Choose from chaise lounges, dining chairs, lounge chairs, outdoor sofas and love seats, bar furniture, patio umbrellas and stands, outdoor cushions, and occasional tables.

Visit us today at www.ContractFurniture.com to see the largest online collection of poolside and resort furniture.
