Hiring Assessment

Screening tools are an important part of our hiring process. The assessment(s) you are about to complete is designed to help reflect your potential to be successful at our company.

Important: Please make sure you are not interrupted during this process, which can take 4-7 minutes to complete each assessment(s).

Hiring Assessment

Read each statement carefully and select the answer that most accurately describes how "true" it is for you at work. Completion time approximately 5-7 minutes. The questions are not intended to be tricky or confusing, so it is best to respond with your initial thought and move on to the next question.

1. Too much planning on the job can get in the way of enjoying things.

2. Helping others who need help on the job is important, regardless of the cost to me.

3. I am not a very adventurous person on the job.

4. At work, I am a shy person.

5. I rarely worry when I'm working.

Cognitive Assessment
30 Questions

07:00

This exercise is timed! It allows you 7 minutes to answer as many questions as possible. You may skip the difficult questions and return if time allows. Most people are not able to answer all of the questions before the time runs out.

If you change your mind about an answer, simply select your new answer.

It can be very helpful to have paper and pencil available, but please do not use dictionaries, calculators, or assistance from other people during this process. If you wear glasses, please make sure that you have them available before beginning.
