

# Profitable Facebook Advertising, Simplified

## Automatically Convert Email Campaigns into Profitable Facebook Ads

SpruceMail links to your email provider (such as Constant Contact or Mailchimp) and creates "ready to run" Facebook ads from your email promotions. Launch new ads in just 2 clicks.

### A Proven Facebook Ad Strategy, Built In

After spending \$100+ million in Facebook ads we've seen what's worked consistently. We've built a well rounded strategy into our software that targets ads to your existing customers, website visitors, and lookalikes.

### No Facebook Ad Experience Required

There are an overwhelming number of ways to advertise on Facebook, requiring an experienced media buyer to see results. SpruceMail's software is so simple anyone can profitably advertise on Facebook in-house, no experience required.

### Transparent, Flat Rate Pricing

Facebook ad providers can charge up to a 40% markup of your Facebook ad spend. SpruceMail instead charges a simple, flat monthly fee based on the size of your email contact list.
