(New York, New York-September 15, 2014) On Monday, September 15, CityMD celebrated the grand opening of its brand new urgent care facility in Williamsburg, Brooklyn. The Williamsburg office is CityMD's fourth Brooklyn location, joining the Park Slope, Boerum Hill and Bay Ridge offices.

Located at 154 North 7th Street, CityMD Williamsburg offers a warm and welcoming environment, dedicated to meeting the healthcare needs of the community. The new office offers walk-in treatment for everyday illness and injury, including X-rays, lab work, stitches and treatment for broken bones and sprains and prevention services such as flu shots.

“We are thrilled to have opened our fourth location in Brooklyn, where we have received a warm welcome. It is exciting to be a part of such a diverse and thriving neighborhood and we look forward to becoming an important part of this community,” said Dr. Richard Park, CEO of CityMD.

Founded in 2010, CityMD has 31 locations throughout Manhattan, Brooklyn, Queens, Long Island, Westchester and the Palisades. Combining a strong focus on the patient experience with the need for compassionate care, CityMD provides its patients with the greatest immediate healthcare available.

CityMD employs expert staff including medical assistants and technicians along with board-certified physicians who are highly trained in treating a wide variety of illnesses and injuries. CityMD locations are open 365 days a year, welcome walk-ins for both adult and pediatric care and accept most major health insurances.
