

.BUILD Internet domain registry announces it is now accepting bitcoin payments from its customers

THE NEW TOP LEVEL DOMAIN IS THE FIRST REGISTRY IN THE DOMAIN NAME ECOSYSTEM TO ACCEPT A CRYPTOCURRENCY

September 19th, 2014

San Francisco, CA - .Build, the new Top Level Domain (TLD) for internet domain names announced it will now accept bitcoin as a payment method from its customers.

.BUILD, went live in April of 2014 is a part of the new expanded Internet made up of many new TLD's beyond .com, .net and .org. By having a meaningful extension to a website or email .BUILD provides an opportunity for companies to improve their online identity and web presence with the power of an industry-specific domain name. These targeted domains will become an integral part of any company's web presence and SEO strategy in 2014 and beyond.

"We are excited to be a leader in the creation and innovation of the New Internet," says George Minardos, CEO and Founder of .BUILD. "As security with online payments becomes a growing concern every day, it was the logical next progression in the virtual building world to accept a cryptocurrency standard like Bitcoin. At .BUILD it is our mission to constantly improve and innovate the way the domain name industry conducts business in order constantly provide value for end users."

.BUILD is the name provisioner of domain names ending in .BUILD, which and are sold through all the major registrar channels such as GoDaddy, Crazy Domains, Enom, Network Solutions, Name.com, 1&1, Tucows, United domains, Uniregistry etc. For a complete list of partners please visit www.getmy.build.

About .BUILD:

.BUILD is the TLD designed especially for the online needs of the building industry and makers of all kinds. From kits to skyscrapers, .BUILD is quickly becoming the Internet hub for builders in every category. Conceived and run by industry veterans, .BUILD brings a wealth of real world experience to the .BUILD vision. The registry is creating an online community dedicated to serving builders through enhanced search, website design, news, information and virtual markets. The registry has formed strategic partnerships with the best in the business. With physical offices in Santa Monica, California, .BUILD currently lives online at www.about.build.
