Where We Go From Here

Conference

Free Public Event With Van Jones Social Justice & the New Economy

Friday, October 24 at 8:00 p.m.

Join us for a special evening presentation with Van Jones, a globally recognized, award-winning pioneer in human rights and the clean-energy economy.

As a global community, we depend on shared resources including clean water, energy, a just economy, access to food, and the Internet.

However, these necessities are threatened by economic, political, and social systems that do not support what's best for the vast majority of people or the natural world.

Join us for Omega's second annual Where We Go From Here conference, led by activists and thinkers on the front lines of change, to explore the Commons model as a unifying paradigm to move us forward.

Conference begins **Friday, October 24 at 9:00 a.m.**
