3. Qualifications for all prize winners is as follows: must create a public user group on jumpstartyourlovelife.com with the most group members. The group must have been created between October 20th and November 3rd, 2014. The group must have the most group members of any other qualifier to win in its position as Grand Prize, Second Place or Third Place respectively. The group must have at least 250 members to qualify to win the Grand Prize. The group must have at least 150 members to qualify to win the Second Place prize and at least 100 members to qualify to win the Third Place prize. All group members must have been created by different real persons with a profile picture for each group member. All prize winners must have a profile picture and a picture or avatar for their group also. Lastly, all prize winners must have posted at least 5 forum posts to their group on or before November 3rd, 2014. The only way a qualifier will be disqualified from this contest is if we make a *judgement that there are fake profiles used to create group members in their group. If a qualifier with the most group members (in its position) is disqualified, then the next qualifier with the most group members that has met the above criteria will be judged to determine if they are a winner for that position. This process to determine the winners will continue until the above criteria is not met anymore for each position respectively. In the event that two or more groups (for a winning position) all have the same number of members, then the group with the least discrepancies and/or the most active group members will win in that position. There will be no more than three different prize winners and that will be the contestants with the most group members from a group that was created with real members during the duration of this promotion (beginning on October 20th, 2014 and ending on November 3rd, 2014).
