

Timestream@edu

# Academic Contest

**Your coursework is worth more than a grade.**  
**Tell us through Timestream and win \$5000 in cash prizes.**

A total of \$5000 is available in prizes, and entering is easy. Simply utilize Ntrepid's free Timestream software to create an interactive timeline for that research project or presentation you've been assigned for class. Get paid to complete a project, and gain a free tool that will help improve your work.

## How to enter

The Timestream@edu Academic Contest starts September 2, 2014.

Sign up for Timestream free for your case project with your .edu email address. Create your case and submit it by syncing to the contest server by December 8, 2014.

Go to [www.TimestreamContest.com](http://www.TimestreamContest.com) for free access to Timestream and full contest details.

## Judging & prizes

The top five Timestream cases will win \$5000 in cash prizes. Winners will also be featured on the Ntrepid website.

The winning cases will be decided based on the following criteria:

- Most compelling topic
- Creativity and originality
- Overall complexity of case utilizing full product functionality
- Adherence to the official rules

**Full contest rules: [www.TimestreamContest.com](http://www.TimestreamContest.com)**

Winner will be announced by January 31, 2015.
