17:00-17:20	Nurse-driven delirium care optimizes outcomes in the hospitalized elderly
17:00-17:20	Shannan Hamlin, Houston Methodist Hospital, USA
	Title: Telephone Nursing. Stakeholder views and understandings from a paediatric and a gender
17:20-17:40	perspective
	Elenor Kaminsky, Health Services Research, Sweden
	Title: Outcome of septic cancer patients admitted to the intensive care unit with and without
17:40-18:00	medical emergency team intervention
	Imran Khalid, John D Dingell VA Medical Center, USA
	Title: The incidence and influencing factors of functional disability in chinese patients with
18:00-18:20	rheumatoid arthritis
	Shangping Zhao, China Title: Support professional nurses caring for patients diagnosed with AIDS related illnesses,
18:20-18:40	Tshwane district Gauteng province, South Africa
10.20-10.40	Nthomeni Ndou, University of Venda, South Africa
	Day 2 November 18, 2014
08:45-09:00	Introduction
	Keynotes
09:00-09:25	Amy Weaver, Youngstown State University, USA
09:25-09:50	Rebecca Mitchell, University of Newcastle, Australia
	Coffee Break 09:50-10:10
	Track 4: Critical Care Nursing Track
	5: Cardiac Nursing
	Session Introduction
Session Chair	
10.10 10.20	Title: Does in with the good equal out with the bad? Application of nutrition support research
10:10-10:30	Ann-Marie Brown, The University of Akron, USA
	Title: Acute kidney injury: Critical impact and nursing advocacy
10:30-10:50	Susan Dirkes, University of Michigan Health System, USA
	Title: Patient centered transitional care for patients transferred from Intensive Care Unit (ICU)
10:50-11:10	to step-down care unit: A mixed method study
	Wentao Zhou, NUS Singapore University, Singapore
	Title: The experience of communication difficulties in critically III patients in and beyond
11:10-11:30	intensive care: Findings from a larger phenomenological study
	Agness Chisanga Tembo, The University of Newcastle, Australia
11 20 11 50	Title: Elderly care for migrants: Between marginalisation and sensitive inclusion
11:30-11:50	Nevin Altintop, University of Vienna, Austria
	Title: Nursing workforce challenges in Saudi Arabia and the role of transformational leadership
11:50-12:10	Nourah Alsadaan, University of Technology, Australia
	Title: Development of a trauma based continuing care model for enhancing care outcomes in

	Praneed Songwathana, Prince of Songkla University Hatyai, Thailand
	Title: The effects of health education on adherence to therapeutic regimen and risk of
12:30-12:50	occurrence of complications among diabetic patients in general trias, cavite, Philippines
	Nenita Panaligan, Cavite State University, Philippines
12:50-13:10	Title: Patient education and anticoagulation therapy in a cardiac population
	Katie Kok, Millikin University, USA
	Lunch Break 13:10-13:50
	Track 6: Adult Health Nursing
Constant Charter	Session Introduction
Session Chair	
13:50-14:10	Title: Towards end-user centered outcome measurement: An example from Parkinson's disease
15:50-14:10	Peter Hagell, Kristianstad University, Sweden
	Title: IM/NPACT – Developing aged care nurse practitioner roles in Australia
14:10-14:30	Christine Stirling, University of Tasmania, Australia
14:30-14:50	Title: Risk factors for the prevention of cardiovascular disease
	Mateja Lorber, University of Maribor, Slovenia
14:50-15:10	Title: Wandering in the patient narrative: Opportunities to fully engage
	Patrice Tadel, Gundersen Health System, USA

1	
15:10-15:30	Title: The bright side of life- Emotional support in elderly care
	Margaretha Pejner, Halmstad University, Sweden Title: Psychosocial factors and health - Related quality of life in liver transplant recipients
15:30-15:50	Xiao Peng, Beijing University of Chinese Medicine, China
	Title: Universal care pathway for nurses in pediatric EBD [emotional/educational, behavioral
15:50-16:10	and developmental problems]
	Anjan Bhattacharya, Apollo Gleneagles Hospital, India
	Coffee Break 16:10-16:30
	Track 7: Women Health Nursing
	Session Introduction
Session Chair	
	Title: Clinical practice guidelines for the African American women with HIV and Secondary
16:30-16:50	Dyslipidemia
	Rose Knapp, University of Miami, USA
16:50-17:10	Title: Quality of maternal health care: maternal near –misses in a university hospital, Egypt
	El-Nemer Amina, Mansoura University, Egypt
	Title: The relationship between socio-demographic factors, partner support, PND, and physical
17:10-17:30	activity
17.10 17.00	Maryam Saligheh, Univeristy of Sydney, Australia
	Title: Perceptions of rural women regarding sexual health communication in the era of
17:30-17:50	HIV/AIDS in Vhembe district, Limpopo province: Implicatins for sexual health interventions
17:50-17:50	
	Dorah Ursula Ramathuba, University of Venda, South Africa
17:50-18:10	Title: Sleep disturbances in pregnant women
	Wafa Abbas, University of Babylon, Iraq
18:10-18:30	Title: Health beliefs and breast cancer screening among
10.10-10.30	Shin Young Kim, Capital University, USA
	Exhibition & Poster Presentations
	Break out II
	Track 8: Pediatric Nursing
	Session Introduction
Session Chair	Session Introduction
	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice
Session Chair 10:10-10:30	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA
10:10-10:30	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice
	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA
10:10-10:30 10:30-10:50	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program
10:10-10:30	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China
10:10-10:30 10:30-10:50 10:50-11:10	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies
10:10-10:30 10:30-10:50	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute
10:10-10:30 10:30-10:50 10:50-11:10	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute lymphoblastic Leukemia
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute lymphoblastic Leukemia Changrong Yuan, Second Military Medical University, China
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30 11:30-11:50	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute lymphoblastic Leukemia Changrong Yuan, Second Military Medical University, China Title: 3-D STORYBOOK: Effects on surgical knowledge and pediatric anxiety among 4 – 6
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute Impubblastic Leukemia Changrong Yuan, Second Military Medical University, China Title: 3-D STORYBOOK: Effects on surgical knowledge and pediatric anxiety among 4 – 6
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30 11:30-11:50	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute lymphoblastic Leukemia Changrong Yuan, Second Military Medical University, China Title: 3-D STORYBOOK: Effects on surgical knowledge and pediatric anxiety among 4 – 6
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30 11:30-11:50	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute lymphoblastic Leukemia Changrong Yuan, Second Military Medical University, China Title: 3-D STORYBOOK: Effects on surgical knowledge and pediatric anxiety among 4 – 6 years old children John Rey Macindo, Philippines
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30 11:30-11:50	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute lymphoblastic Leukemia Changrong Yuan, Second Military Medical University, China Title: 3-D STORYBOOK: Effects on surgical knowledge and pediatric anxiety among 4 – 6 years old children John Rey Macindo, Philippines Track 9: Nursing Education & Research
10:10-10:30 10:30-10:50 10:50-11:10 11:10-11:30 11:30-11:50 11:50-12:10	Session Introduction Title: Prevention, practicality and profitability of oral health promotion in primary care practice Deborah Mattheus, University of Florida College of Medicine, USA Title: Feeling good In your neighborhood: A nurse-led mobile health van program Betty Boyle-Duke, New York University, USA Chinese and American children with cancer Changrong Yuan, Second Military Medical University, China Title: Identifying the merits and demerits of Traditional management of common cold in babies Tcheunkeu Ebanga Nadine, Cameroon Title: Designing a smartphone application to support family caregivers of children with acute Jymphoblastic Leukemia Changrong Yuan, Second Military Medical University, China Title: 3-D STORYBOOK: Effects on surgical knowledge and pediatric anxiety among 4 – 6 years old children John Rey Macindo, Philippines Track 9: Nursing Education & Research Session Introduction
