

# LaunchMed, LLC

## ACO Solutions & Services

### INTEGRATE

Integrate data from disparate and siloed data sources.

### MONITOR

Monitor aggregated clinical and financial data via a secure, web-based data platform and reporting center.

### ACT

Identify opportunities to close care gaps, reduce unnecessary services, maximize financial performance, improve clinical outcomes, and coordinate care.

### IMPROVE

Improve clinical outcomes, reported quality metrics, financial performance, and regulatory compliance.

### LaunchStar™ ACO Solution

LaunchMed's LaunchStar™ ACO Solution is designed specifically to meet the analytical and reporting needs of ACOs. Key features of the LaunchStar™ ACO Solution include:

- Experienced with retrieval, scrubbing, and mapping of CMS ACO data into LaunchStar
- 100% HIPAA-compliant
- User roles and permissions for assigning different levels of access by user-type
- Web-based solution means fast deployment and access from any browser
- Tracks all CMS ACO-specific reportable measures
- Integrates data for coordination of care across all care settings
- ACO management financial and clinical dashboard
- Management reporting tool for customized reports
- Aggregates data from disparate data sources
- Supports mandatory ACO end-of-year GPRO reporting
- Physician portal
- Access to patient ACO-participant & non-participant claims at the point of care
- Generates patient report cards
- Tracks financial & clinical ACO metrics at ACO, group participant, and physician levels
- Produces patient work lists

The LaunchStar™ ACO Solution is a must-have enterprise analytics and business intelligence tool that provides unparalleled insight and actionable intelligence. Together with LaunchMed ACO Consulting Services, LaunchMed offers a complete ACO management framework.
