

# Contort Your Face with Photo Warp by Tonuzaba Entertainment

## Now Available for Intel® Atom™ Tablets for Android\*

Exaggerate facial features to cartoonish caricature with the wildly mind-bending Photo Warp application from Tonuzaba Entertainment. Freshly optimized for Intel® Atom™ Processor-based tablets for Android\*, this hilarious app allows users to re-imagine themselves into funhouse simulacrum.

An elegant touch sensitive photo app offers a palette of maneuverable tools include bloat, pinch and twirl for buffing up biceps or stretching eyebrows into bat wings. Brush hardness and size can be adjusted and a reset allows gradual swipes back into original shape. Friends can have hours of comic book creativity with their own features and facial expressions. The interface is a slick and smooth way to turn portraits into witty cartoons that can be saved or easily shared.

## Photo Warp Makes Faces Outrageous on Android\* Devices

Playfully plasticized faces are outlandishly entertaining on the latest responsive, high-resolution Android\* tablets. Portability and super touch capabilities enable users to mold their photos into hyperbolic madness or just embellish a little detail to make an image more pleasing.

### Features of Photo Warp for Intel Atom Tablets for Android\*

- Crisp, high-resolution Images
- Pinch, Twirl, and Bloat Distortion Options
- Sizable and Resettable Brush to Revert to Original Image
