Connect Financial Software Announces Partnership with PSCU.

SALT LAKE CITY, UTAH – *October 15th, 2014* - Connect Financial Software Solutions today announced that it has formalized a partnership with PSCU, the nation’s leading credit union service organization. The partnership includes collaboration on innovation initiatives for both firms, and provides Connect’s Digital Channel Solutions, consisting of Online and Mobile Banking and Account Opening, as an option to PSCU clients.

According to Joe Long, Vice President of Connect, “We are looking forward to the opportunity to work more extensively with PSCU, expanding our existing integration to deliver more expansive functionality and a better member experience for our current mutual and prospective clients. In addition, the partnership extends to Bill Payment solutions offered by PSCU.”

According to Sam Snyder, Vice President of Business Development at PSCU, “Our partnership with Connect will provide numerous innovative opportunities for our credit unions and our industry. Both organizations fully understand the current and future needs of our clients and are excited to be working together going forward.”

About PSCU

Since 1977, PSCU has been a leading provider of traditional and online financial services to credit unions. Today, we represent more than 680 credit unions, making us the nation’s leading Credit Union Services Organization (CUSO). We offer industry-leading credit, debit/ATM and prepaid card servicing, and innovative bill payment solutions, to 18.5 million members. We also provide a range of ecommerce solutions options to include electronic home and mobile banking. All of these services are backed by outstanding support from our fully redundant 24/7/365 Total Member Care contact centers. Learn more at www.pscu.com.
