

## EasyPay Solutions to Sponsor and Exhibit at iPatientCare National User Conference 2014 as a Platinum Sponsor

*iPatientCare is Proud to have the Continued Patronage from Easy Pay Solutions as an Exhibitor/Sponsor at NUCON 2014, November 14- 16, 2014.*

iPatientCare, Inc., a pioneer in mHealth and cloud-based ambulatory EHR and integrated practice management solutions, announced EasyPay Solutions' participation at iPatientCare National User Conference (NUCON) 2014 as a platinum sponsor, exhibiting its fully integrated patient-friendly patient balance reduction tool that is designed for healthcare providers to eliminate the high cost of patient collections.

iPatientCare is delighted to introduce Easy Pay Solutions as a sponsor and exhibiting its fully integrated patient balance reduction tool. Easy Pay is a robust patient balance receivables solution with nearly twenty years' experience in reducing past due accounts receivable. Easy Pay's unique approach to eliminating existing past due accounts and preventing future delinquent payments has revitalized profitability for thousands of practices nationwide. **The Easy Pay Patient Friendly approach has enabled these practices to successfully move their patients from a "Bill You Later" to a "Pay and Stay" model that keeps patients happy and practices healthy!** Easy Pay's cutting edge technologies embedded in the iPatientCare Practice Management software makes iPatientCare a superior integrated application platform in today's medical software market. The thousands of doctors using Easy Pays' solutions have proven that Easy Pay can reduce patient receivables by at least 50%.

"Easy Pay is thrilled to partner with iPatientCare in their ongoing pursuit to add powerful tools to their intuitive platform. We look forward to helping iPatientCare practices solve their patient receivables challenges." Jim Turner, VP Marketing, Easy Pay.

"iPatientCare is glad to have EasyPay Solutions as one of the Sponsors/Exhibitors at iPatientCare NUCON 2014 and showcasing its fully integrated patient balance reduction tool". Which will benefit our users to reduce bad debts and have lower collection expenses", said Pranav Patel, General Manager, iPatientCare."
