

# Let the Quest Begin: 12 Labours of Hercules App by JetDogs Studios

## Optimized for Ultrabook™, Inspired by Intel®

The development team at JetDogs Studios has collaborated with Intel® to optimize its adventurous gaming app 12 Labours of Hercules for Ultrabook™, inspired by Intel®. Users of this device can now enjoy the challenging environment of adventure and fun, from just about anywhere they may be.

12 Labours of Hercules allows players to accompany the man himself, Hercules, on a quest to rescue his wife, who was kidnapped by the evil Hades. During the adventure, players will meet heroes from Ancient Greece, as well as gods, all while vanquishing beasts, repairing roads, and constructing wonders during the stunning time management game.

## A Fast-paced, Stimulating Journey Now on Ultrabook™ 2-in-1 Devices

With 12 Labours of Hercules, Ultrabook™ users can now enjoy all of the enhancements this popular game offers. Aiming to reach challenging, unlockable achievements, players will work to collect pieces of numerous incredible puzzles to solve. Extra bonus levels can be unlocked and amazing new wonders discovered, including an ancient zoo and an aviary. Action-packed mini-games are also available for play.

The 12 Labours of Hercules app is available for immediate download, so Ultrabook™ 2-in-1 device users can now start choosing their own adventures. The striking, high-definition graphics of the gaming environment can be fully appreciated only on devices with such a high-performance platform. The sensitive touchscreen guarantees that players along for the journey with Hercules never venture off-path, and are set up to succeed in rescuing his wife.
