Windermere, FL. (November 6, 2014) – Harvest Bible Chapel of Orlando announces that **Tenth Avenue North** with special guests, KB and Royal Tailor, will be performing the ***Cathedrals*** Tour in concert on November 23, 2014 at Harvest Bible Chapel in Windermere, FL. This tour celebrates the release of Tenth Avenue North’s fourth studio album on **Reunion Records** (a division of Sony Music) on November 10 titled ***Cathedrals***, with a deluxe version also available, containing four additional bonus tracks. VIP Tickets are available with special features including Q&A with the Band, Early Entry & VIP Seating. VIP and General Admission Tickets are available through iTickets.com at <http://www.itickets.com/events/335197>.

Tenth Avenue North’s first Christian radio single from the album, titled “**No Man Is An Island,**” debuted in the Top 20 on the National Audience Chart and is currently in rotation in key markets and networks including K-LOVE/Air1, The Fish, SiriusXM, Chicago, Dallas, Atlanta, Tampa, Cincinnati, Las Vegas, Minneapolis and Seattle, among others.

The **Dove Award-winning** band’s fourth studio album is a collection of well-crafted songs that inspire community, encourage accountability and celebrate the fact we are not alone.

“So many of us live in isolation and we really don't have to,” says lead vocalist **Mike Donehey**. “So the idea is: ‘Hey get in the boat with us, sail by the stars of God’s promises and reach the shore of community.’ We realize that when we start to live together, we become the cathedrals on earth. We are the place where the spirit resides. It no longer dwells in buildings but in each of us.”

Produced by **John Fields**, known for his work with the Switchfoot, Jonas Brothers, Demi Lovato and Pink, *Cathedrals* was written while the band was out on the Winter Jam Tour, setting up make-shift recording spaces in locker rooms and green rooms around the country.

The group made its national debut in 2008 on Reunion Records with *Over and Underneath*, which spawned the hits “Love is Here,” “By Your Side” and “Hold My Heart.” Tenth Avenue North won the Gospel Music Association Dove Award in 2009 for New Artist of the Year and in 2010 “By Your Side” was named Song of the Year. The band gained further momentum with 2010’s *The Light Meets the Dark* and *The Struggle* in 2012, which continued to populate radio and the church with such memorable songs as “Healing Begins,” “You Are More,” “Losing” and “Worn.”

Donehey, drummer **Jason Jamison**, bassist **Ruben Juarez**, keyboardist **Brendon Shirley** and guitarist **Jeff Owen** have forged a unique sound that has made them one of the Christian music’s most successful young bands. In the spring of 2014, Tenth Avenue North crossed the **one million** mark for **records sold** and continues to build its strong fan base by achieving more than **one million likes on Facebook**.

Excited to be a part of this full national tour scheduled throughout 2014, Harvest Bible Chapel of Orlando invites you to join us on November 23, 2014
