## Illinois District 211 Schools Choose Colorado Time Systems

Loveland, CO—November 11, 2014— The five high schools in Cook County's District 211(IL) are each constructing a new natatorium. James B. Conant High School has already broken ground, with the first cement pour completed in October 2014.

District 211 is the largest high school district in Illinois with a current enrollment of nearly 12,500 students. Natatoriums will be built at: James B. Conant High School, Palatine High School, Hoffman Estates High School, Schaumburg High School, and Fremd High School; with construction concluding in 2016.

Each facility is upgrading to state of the art timing systems from Colorado Time Systems including: Full color video displays, System 6 Timing Consoles, Quick Connect (in-deck) deck plates, Championship Start System, Relay Judging Platforms, and AquaGrip Touchpads.

"The construction of these natatoriums is exciting for these schools and the communities they serve," said Anita Sayed, PlayCore Senior Vice President and Colorado Time Systems' General Manager. "We look forward to a long and successful partnership with District 211."

### **About Colorado Time Systems (CTS)**

Colorado Time Systems, a PlayCore company, has established a reputation for precision and innovation in swim timing equipment. Since 1972, premier aquatic facilities have chosen Colorado Time Systems for platinum quality timing, scoring and display systems. Learn more at [www.coloradotime.com](http://www.coloradotime.com).
