

Celebration of Light

A Time of Remembrance and Preparation for the Holidays

PLEASE JOIN PATHWAYS FOR A CELEBRATION OF LIGHT MEMORIAL SERVICE

In the darkness of winter, and through the darkness of grief, Pathways and Skylawn offer an opportunity to look for an experience of light. We invite you to remember a loved one in the company of others, as we honor those who have died this year.

This candle-lit afternoon will include the use of light, both literally and as metaphor, from various faith traditions to assist us in upholding the memories of your loved ones. A memory table will provide the opportunity for you to temporarily place a favorite picture or memory object to further honor their place in your life.

Refreshments will be served following the program.
