

**GET A TIRE QUOTE:
800-8-MODERN**

Your Forklift Tire Provider

- **Great Pricing**
- **Trusted Brands**
- **Onsite and In Shop Installation**

Our certified and trained technicians can replace and press tires both in the shop and on the road.

We've partnered with the industry leaders in forklift tires, many of whom are trusted OEM providers for your chosen forklift brand.

Your Modern representatives will do a complete evaluation and give you the best possible options for your business.

THE MODERN DIFFERENCE

- **No Travel Charge**
- **OEM Recommended Lug Torquing**
- **Clearing Debris From Wheel Hubs**
- **Lubrication & Cotter Pin Replacement**
- **Complete Service & Parts History**
- **Same Day Digital Invoicing**
- **Servicing All Forklift Makes & Models**
