LynnCo Receives 2014 Best of Tulsa Award
Tulsa Award Program Honors the Achievement

Tulsa, OK: Lynnco Supply Chain Solutions Inc. has been selected for the 2014 Best of Tulsa Award in the Freight Transportation Arrangement category by the Tulsa Award Program.

Each year, the Tulsa Award Program identifies companies believed to have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community. These exceptional companies help make the Tulsa area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Tulsa Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Tulsa Award Program and data provided by third parties.

President Wendy Buxton says, "As a leading provider of strategic and value-add supply chain services, LynnCo is honored to be included in the 2014 Best of Tulsa awards for the fourth year in a row. And, LynnCo is intent to continue its support of the Tulsa community and local businesses."

About Tulsa Award Program: The Tulsa Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Tulsa area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.
