Trade**VUE**[™]

Online Trade-In Appraisals.

Use transparent appraisals to **your advantage.**

Provide instant online trade-in appraisals and drive more buyers into your dealership.

The auto industry has undergone a significant transformation within the last few years as consumers are driving harder bargains due to the availability of online used car values..

AutoSaver.com will show you how to use technology to your advantage and convert more customers with TradeVUE®.

Range based trade values give you more leverage.

Most buyers have extremely high expectations of what their vehicle is really worth.

TradeVUE® uses a trade-in "range" that sets realistic expectations with your customers, which translates into larger margins for your dealership.

Become a Premium AutoSaver customer and make it easy to:

- Reduce negotiations and improve trust.
- Increase gross profit and used car turn.

Plus:

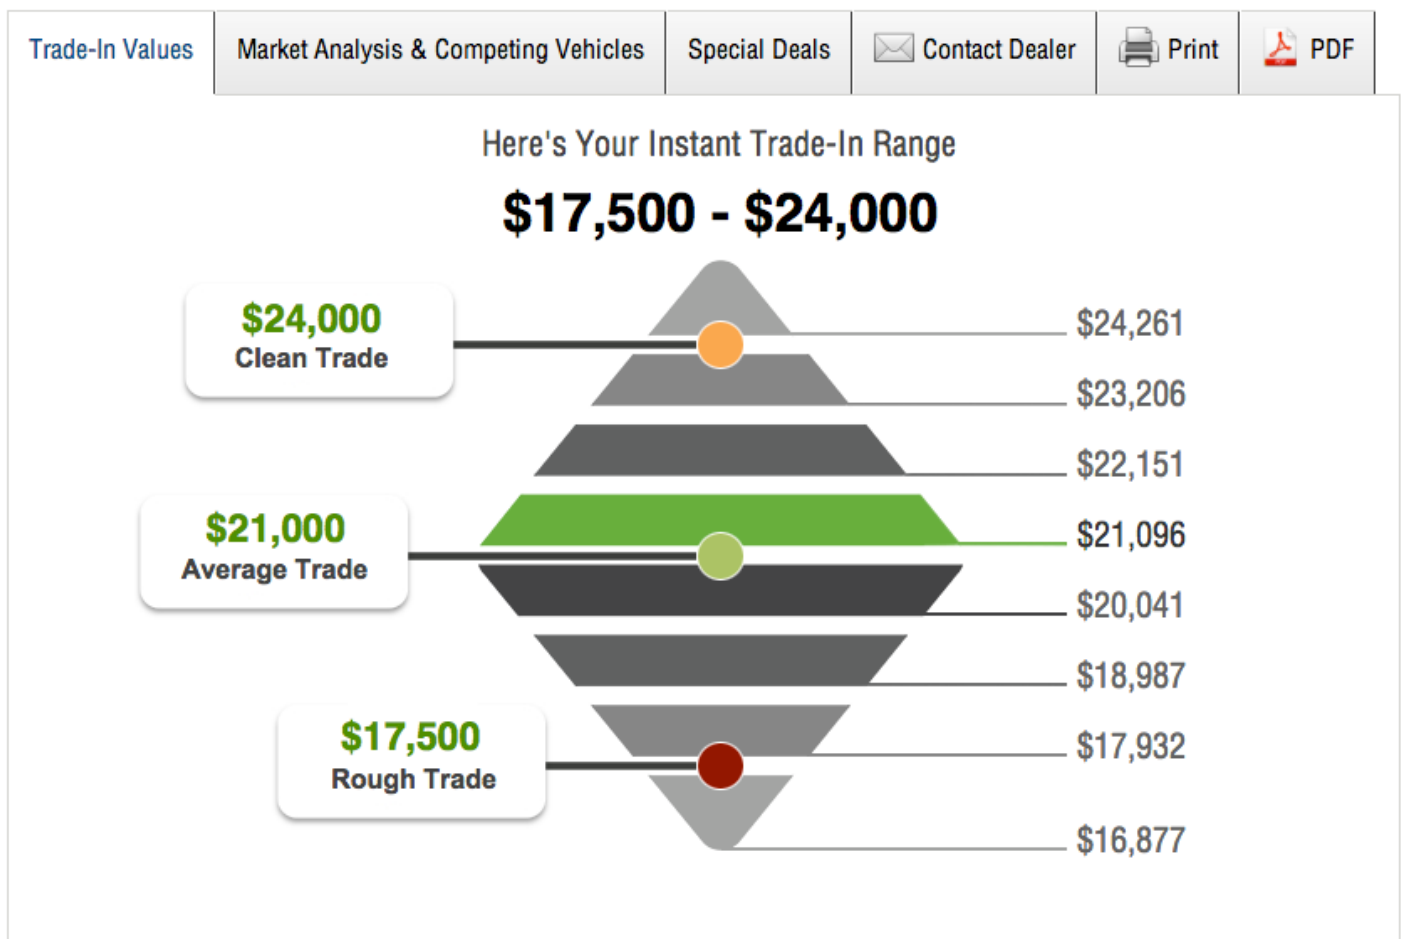

- Pay month-to-month with no contract.
- Never any lead fees!
