What others had to say about the Championship Coaches Clinic -

Carson-Newman Football Clinic Offers NFL, Major College and Prep Perspective on How to Play Championship Caliber Football

For the 26th consecutive year, the Carson-Newman Football Championship Clinic will combine unique perspective from the world of football with the resort setting of the Pigeon Forge area. The clinic site is once again at the Music Road Hotel and Inn to better accommodate you and your staff. Being closer to the shopping areas will bring a smile to the wives.

Again this year, experienced coaches and motivators from prep ranks, major colleges and the NFL will be on hand to share their accumulated knowledge and help identify winning methods you can take home and incorporate with your team.

In addition to many other clinicians, 35th year head football coach Ken Sparks and his Carson-Newman staff will once again be on hand. Joining him will be Dan Redding (defensive line), Mike Turner (offensive coordinator/offensive line), Don Woods (quarterbacks), Nick Reveiz (running backs), John Cryder (tight ends) and Mike Clowney (linebackers), Aaron Hutsell, Dino Waites (Def. Backs), David Needs, Ryan Roach (WR), and Tony Ierulii, Jamie Owen (asst. DL).

In 35 seasons at CN, the last 19 at the NCAA II level, Sparks and his staff have guided the Eagles to an overall record of 325-92-2. During that time, CN has gone to the playoffs 24 times, winning five national championships (1983, 1984, 1986, 1988, 1989) and finishing second four times (1987, 1996, 1998, 1999). The Eagles have been to the NCAA Division II Playoffs in 13 of the last 19 seasons and were national runner-ups in 1996, 1998, and 1999, and advanced to the national semifinals in 1997 and 2009. In South Atlantic Conference play, CN has won 22 of the past 32 crowns.

Along with sessions for coaches and wives, the clinic will feature informal fellowship among coach and their wives. Three free meals and a weekend stay in the beautiful Smokey Mountains. This is one weekend that you and your spouse will want to be part of.
