FACT SHEET

What's in a Name?

WOMEN: For all ages.

SUITE: A collection of offerings with a consistent User Interface designed to work together.

Founded in 2014 and launched in 2015, Women's Suite is a new kind of free online social networking community devoted to women with four synergistic components: **Social Networking** (*Share life's stories*), **Magazine** (*Concise women articles*), **CommUNITY** (*Advice forum*) and a **Marketplace** (*For unique items*).

1. **Social Networking:** After Users register they may create a personal profile to upload photos, add other users as friends, exchange messages with friends, family and colleagues and receive automatic notifications when they update their profile.

2. **Magazine:** Concise general interest women's articles focused on style, fashion, relationships, health/fitness and more. Women's Suite curates and condenses published articles and adds original content with a tad of humor.

3. **CommUNITY:** Bring conversations to life via a public advice forum from real women.

4. **Marketplace:** We have a passion for handmade, unique items made by independent/professional artists and craftmakers showing exceptional handcrafted wares such as art, clothing, jewelry, photography, knick-knacks, coupons for value-conscious women and much more.

Women's Suite is an end destination. As a member of the Women's Suite CommUNITY you have a voice. Developed from the ground up to facilitate rich multimedia experiences on mobile Tablet/Smartphone devices.

WOMENSSUITE.COM PROVIDES SINGLE ONLINE DESTINATION

San Jose, CA – (February 14, 2015) -- WomensSuite.com, a free online social networking community devoted to women, announced the launch of its new website that lets women read, shop, share and communicate in a single location.

Morgan Rees, president, co-founded the website with his wife and business partner Jerri Anne Rees. The two worked diligently over a two-year period researching the needs for a single website that could create a supportive social networking community where women can share creative ideas, build connections, sell homemade crafts and read and share articles relevant to women.

“We wanted to build a robust, e-commerce website that is devoted to the concerns of women and provides a place for women to connect and grow together,” said Morgan Rees.

“Women’s Suite is really about building friendships and relationships, added Jerri Anne Rees. “We envision women using WomensSuite.com as an online community to build connections with other like-minded women.”

Women’s Suite is comprised of four synergistic components:

1. **Social Networking:** After Users register they may create a personal profile, upload photos, add other users as friends, exchange messages with friends, family and colleagues and receive automatic notifications when they update their profile.
2. **Magazine:** Concise general interest women’s articles focused on style, fashion, relationships, health/fitness and more. Women’s Suite curates and condenses published articles and adds original content with a tad of humor.
3. **CommUNITY:** Bring conversations to life via a public chat and advice forum from real women.
4. **Marketplace:** We have a passion for handmade, unique items including art, clothing, photography, knick-knacks, coupons for value-conscious women and much more.

Unlike many other social sites, WomensSuite.com is a fully integrated solution that facilitates a rich multimedia experience on a desktop computer, mobile tablet or Smartphone device. It’s a collection of offerings with a consistent User Interface designed to work together.

Our mission is to connect women in a unique, online community that will help them lead better, healthier, happy and informed lives, said Jerri Anne Rees.

Writers, artisans, jewelers and merchants interested in selling their homemade works on WomensSuite.com can contact the company via email at: info@WomensSuite.com
