

## 24 Hour Concierge Emergency Care in Dallas

Advance ER Emergency Centers offer the highest level of concierge emergency care because we know and respect our patients, they are our neighbors.

Advance ER patients are always seen by Board Certified Physicians who have an average of 15 years of experience. Our facility offers state-of-the-art amenities such as: CT, X-Ray and Ultrasounds on-site. We also have a complete pharmacy and diagnostic laboratory allowing 24 hour accurate and timely treatment for all patients.

**Our concierge-level emergency care cannot be found anywhere else.**

## Boutique Style Emergency Medical Services

Do you or a loved one have a fever, sore throat or infection? Has someone experienced an injury, cut, allergy attack or sprain? No matter why you need medical care, we are prepared to handle your needs. Our staff has the experience to treat any medical issue from the most common to the most critical. Our facility offers 24 hour care and the experience and equipment necessary to treat the most critical medical emergencies.

**Open 24 Hours a day, our Emergency Center offers Exceptional Care Exceptionally Fast.**
