AUTHOR PROFILE

> Banning Liebscher

Banning and his wife, SeaJay Liebscher, are the founders and directors of Jesus Culture, a ministry dedicated to mobilizing a generation of revivalists and reformers who will shape culture and transform nations. They are also the Senior Leaders of Jesus Culture Sacramento, a church located in the capital of California. Their passion is to see nations awakened to the love and power of God and for a generation to fully give themselves to the cause of Christ in the earth.

“Read this book and you’ll be changed. Live this book and the world will changed, too.”

- **Pete Greig,**

Co-founder of the 24/7 prayer movement, Director of Prayer for Holy Trinity, Brompton, Facilitator for the Campus America initiative

> ENDORSEMENTS

“God is raising up an army of young, on-fire revivalists destined to awaken the nations of the earth. *Jesus Culture* gives their marching orders to set on fire a new generation of passionate change agents.”

- **Cindy Jacobs,** Co-founder and President of Generals International

“*Jesus Culture* is not just another book about revival. The pages cry out for change with the kind of urgency that makes you want to jump out of your chair and onto your knees. It rekindles a passion that I believe should be in the heart of every Christian—one that is intimately connected to Jesus and eager to see the world experience the life-changing power of the Savior. Pastor Banning seems to bring all the essential elements of revival into balance—the importance of spiritual authority while allowing a burning love for Jesus to develop into a passion for prayer, to not only see but demonstrate the supernatural. I would recommend this book for any young person or pastor wanting to be reminded again of the cry of God’s heart for cities saved and entire nations to turn to Him.”

- **Judah Smith,** Lead Pastor of The City Church

“In a deteriorating world system of false foundation, there arises a God breed of modern day John the Baptizers willingly and fully committed to Christ and His Kingdom culture no matter what! Banning Liebscher is one such champion leader in the emerging youth generation crying out to the generations of the nations and preparing the way of the Lord.”

- **Dr. Ché Ahn,** Senior Pastor, Harvest Rock Church, President, Harvest International Ministry
