

## Tindall Associations (TAI) Appoints New Leadership and Board of Directors

*Recently acquired market leader in life reinsurance software and consulting services adds experienced resources, Tom Freitas and Mitch Ocampo to their Senior Management team and elects new Board of Directors.*

**(Orland Park, IL)** MARCH 1, 2015 — Tindall Associates (TAI), the U.S. market leader in life reinsurance software and consulting services, recently acquired by a new joint venture of msg global solutions and LOGiQ<sup>3</sup> is pleased to announce the appointment of Tom Freitas as Chief Executive Officer (CEO) and Mitch Ocampo as Executive Vice President (EVP). Former CEO and Chief Operating Officer (COO), Tim Kuhn, and Steve Jerger will retain key leadership roles on a go-forward basis. Kuhn will assume the role of Chief Operating Officer and Jerger as Chief Technology Officer (CTO). These new roles are effective immediately.

In addition, as a result of the recent acquisition, a new Board of Directors has been elected consisting of two msg global solutions and two LOGiQ<sup>3</sup> representatives.

“I am honored to have been asked to take on this role, and excited about the possibilities that lie ahead,” said Freitas. “TAI, with its deep experience and strong position in the reinsurance market, is well-positioned to tap into new opportunities during this time of change. I look forward to working with our new joint venture partners in exploring new horizons not only in the North American market but internationally as well.”

Ocampo states, “I am privileged and fortunate to work alongside Tom, Tim, and Steve, to help shape the future of TAI. TAI’s focus is to continue delivering value to our clients through superior customer service and a reliable system. I believe our new leadership team embodies TAI’s culture and values, and it reflects the strength and depth of our expertise in the reinsurance market.”

---

### **Tom Freitas, CEO, TAI**

Freitas holds a Bachelor of Science in Business Administration from Boston College and an MBA from Fordham University. He started his career in IT development in investment banking and has spent the last 17 years in the reinsurance industry specializing in Operations and IT management.

In his last corporate role as COO for SCOR Global Life Americas, he was responsible for Operations and Information Technology supporting SCOR’s North and South America Life business. He has expertise in process control and improvement, insurance data and data quality, and how to

combine operations, data, and IT into solutions for business problems and opportunities. Shortly after his departure from SCOR Global Life Americas, Freitas joined LOGIQ<sup>3</sup> as a Senior Consultant.

In his new role as CEO of TAI, Freitas is responsible for overseeing day-to-day operations and for creating and implementing the strategic and tactical plans of the newly acquired organization.

---

**Mitch Ocampo, EVP, TAI**

As EVP, Ocampo is focused on product strategy and business development, working with staff and clients to realize the commercial vision of TAI in the marketplace. He is responsible for driving product innovation and ensuring the TAI platform continues to meet the changing needs of clients in the industry.

Ocampo started his career in Microsoft development, designing software for CCBN, a financial data company later acquired by Thomson Reuters. He joined EMC's Global Services team in 2004, where he was first introduced to the reinsurance industry, tasked with developing an underwriting platform for a Bermuda-based reinsurer. He later served as Partner and Managing Director for Kogent Corp, before joining msg global solutions in 2011.

While at msg global solutions, Ocampo served as Managing Director and Head of Microsoft Delivery, where he held overall responsibility for the business unit. He is a graduate of the University of New Hampshire, and remains active in technology and project management.
