

EXPRESSIONS GLASS BLOCK

EXPRESS YOURSELF WITH GLASS BLOCK

Go ahead; the new Expressions Collection from Pittsburgh Corning is giving you the freedom to do just that.

EXPRESSIONS Collection GLASS BLOCK by Pittsburgh Corning

- Add an artistic touch to your décor
- Available as individual accent glass blocks or murals
- Can be used in both interior and exterior applications
- Allows you to add a personal touch to your space
- Patented process using Glass Blocks made in U.S.A.

Simply imagine it and we can make it happen. Now you can customize and enhance your designs with glass block. Using a patented process to add color or images to any size or pattern, glass block is no longer just a classic and versatile building material, but rather it's a unique work of art. Perfect for any setting, the application options are varied and limited only by your imagination.

A NEW DESIGN ELEMENT

Glass block has always had a dynamic relationship with light. Now you can see how it reacts with color and images. Create custom designs using Pittsburgh Corning glass block. Glass block is no longer just a classic and versatile building material it is now also a critical design element for any room or building.

The Expressions Collection is available as individual accent glass blocks or murals. Each glass block is an individually crafted work of art that can be mixed with other glass blocks to form a wall or window of great beauty. And since the application of the color or images does not affect the fire rating of the glass block it is suitable for applications where fire-rating is required. The Expressions collection can be used in both interior and exterior applications. The application opportunities are limitless.

Simply imagine it and we can make it happen.

Example of diamond plate pattern that can be achieved using a Pittsburgh Corning glass block and decorating process

Where to use:

- Healthcare
- Schools and universities
- Sports Complexes
- Retail space
- Community Centers
- Corporate Logos for buildings
- Wayward signing can be incorporated onto the glass block. (Exit signs, etc.)
