LUBBOCK, TEXAS – From Oct. 5-10, Mumbai, India will serve as host to Textile Exchange's [2015 Textile Sustainability Conference](#). These dates include the following activities:

- October 5: Welcome Cocktail Reception for all Attendees
- **October 6: Conference Day 1** ending with a Fashion Show and Dinner
- **October 7: Conference Day 2** ending with Local Entertainment and Dinner
- October 8: 4th Annual **Organic Cotton Round Table** and other Materials Meetings
- October 9-10: Textiles in India Tour (*optional; multiple tour offerings*)

The theme for the two-day conference is “Textiles – A Circular Life” and will feature new networking opportunities that include an organized activity designed to connect buyers and suppliers in a fun and focused manner as well as nightly events. Speaker and topic recommendations are being accepted through March 14. [Click here](#) to download the information and instruction document to gain access to the submission link.

The 4th Annual [Organic Cotton Round Table](#) will take place right after the conference alongside other materials meetings, providing a deep dive on specific materials.

Textile Exchange is thankful for early commitments from the following sponsors: Eileen Fisher, Esquel Group, Hemp Fortex, Lenzing Fibers, Nike Inc., Olah Inc., and Pratibha Syntex. Find out more about sponsorship opportunities at the [conference website](#).

Visit the conference website at the link above for more information, including registration, and to view the conference agenda, both being released April 1.
