EMBRAZIO

A bag is really a companion and, like your friends, you're known by who you hang out with

Supple sheepskin leather that wraps the body, with extra long adjustable straps

Leather-lined exterior cell phone sleeve

Clips on the bag, without the strap, for use as a hip bag

Generous gussets give a surprising capacity for carrying all that you need

Top quality polished zippers on upper and lower pockets

Now in 10 colors & some have option for nickel or antique brass hardware

Measures: 7"H x 7"W x 3"D

A cross body bag or a hip bag clipped to belt loops, this versatile sheepskin treasure is the perfect everyday everywhere bag

Tasca Cross-body

EMBRAZIO

Luscious leather, from an Italian tannery that re-located to Mexico, forms the foundation for this upscale casual tote that can hold a 15" laptop and so much more

Viaggi Tote

Available in black, brown, and red

External leather cell phone sleeve fits even the largest smart phones

Braided tassel zipper pull

Inside extra large zippered pocket

Two large inside sleeve pockets and tethered ring for clipping keys

Extra long shoulder straps for easy use with coats & jackets

Measures: 12"H x 5"D & width of 13" at base and 15" at top

Bags

EMBRAZIO

Goatskin leather forms the base for this glittery beauty in fold or silver. Just right for the Tasca or larger bags

Coin Purse

Made with the same baroque leather that lines the Tasca's external gold or silver cell phone sleeves, this 5 slot card holder has plenty of room for license, cc's, and even a center sleeve for some cash.

Card Holder

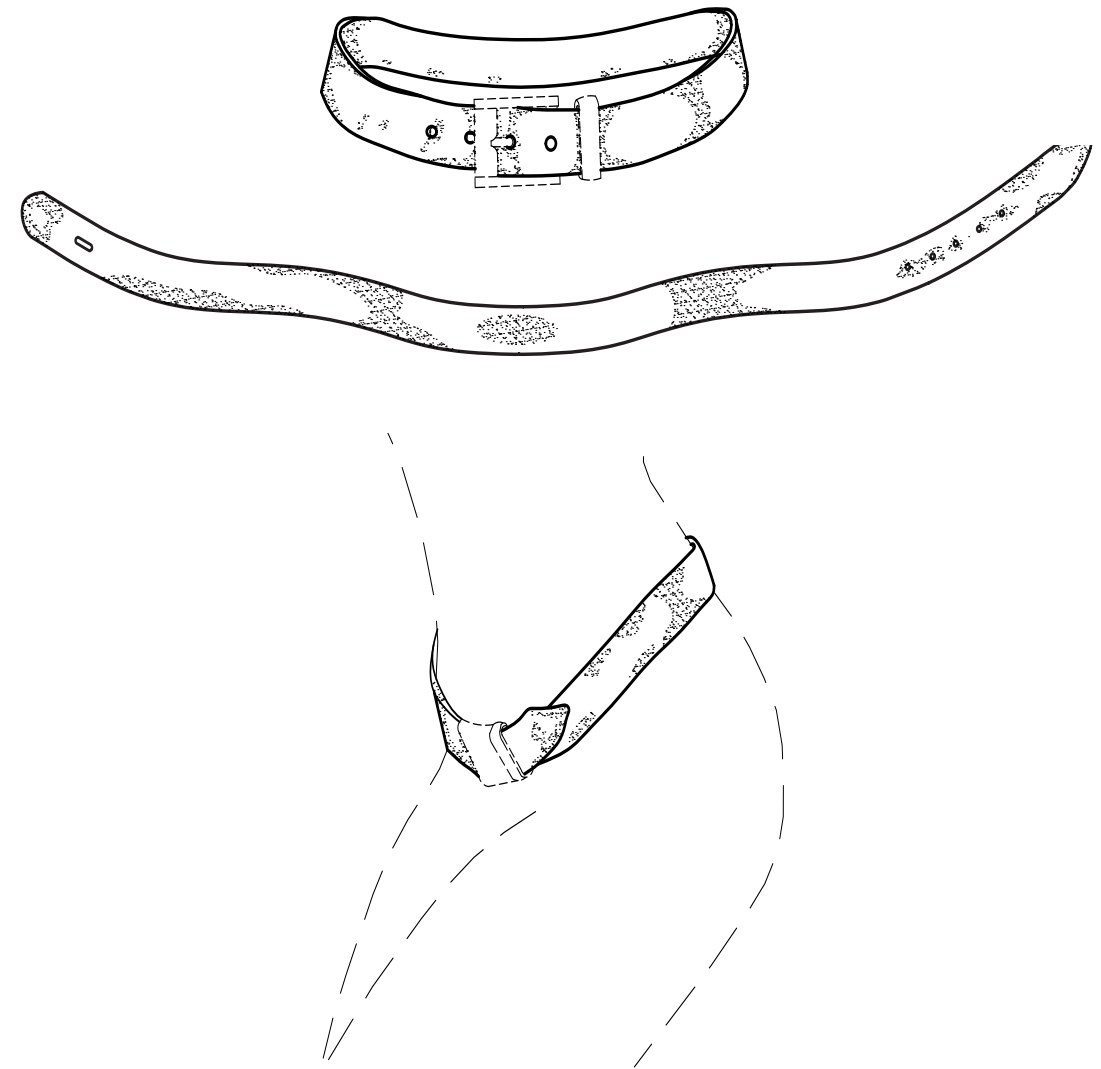

EMBRAZIO

If your body was a barrel, a straight belt might make sense

More comfortable feel

Better fit

Elimination of "gapping" in the back of jeans and slacks

U.S. Patent: D721466

In January of 2015, Embrazio was awarded a design patent for its uniquely curved belts. Belts are shaped to fit with the natural curves of the body and individually designed at each belt length.

EMBRAZIO

Curva Belt

*The worlds first curved belt shaped to fit
your natural form at every size*

1 1/4" wide with sewn in
buckles

Available in black with
nickel buckle or brown
with antique brass buckle

Worn by men and women

Belts

EMBRAZIO

Rivetti Belt

1 1/4" wide with sewn in buckles

Available in black with nickel buckle or brown with antique brass buckle

Worn by men and women

The Curva belt but embellished with a single line of double headed rivets

Belts

EMBRAZIO

The Lato also uses the Embrazio patented shape but is 1 1/2" wide and has removeable buckles

Lato Belt

1 1/2" wide with removable buckles

Available in black, espresso, walnut, grey, sangria red

Buckle choices: nickel, antique silver, antique brass

Worn by men and women

EMBRAZIO

Coperto Belt

The Coperto is similar to the Lato but adds distressed rivets for embellishment.

1 1/2" wide with removable buckles

Available in

- black with nickel or antique brass rivets
- walnut with antique brass rivets
- grey with antique silver rivets,
- sangria red with antique brass or antique silver rivets

Worn by men and women

Belts

EMBRAZIO

I just want an all leather case that I can wear on my belt with no velcro, magnets or clips that wear out or pop off

Phone Cases

EMBRAZIO

All leather phone case worn on the belt or carried as a clutch ... no plastic, velcro, or magnets

Colors: black, brown, red, turquoise

Inside sleeves on lid and behind phone for storage of money, license, cc's, key

Nipple rivet closure system allows single handed phone retrieval and replacement

Fits standard smart phones up through iPhone 6 and Galaxy S3 & S4 with external cover/case

Piatto Satchelita

Classico Satchelita

All leather phone case worn on the belt or carried as a clutch ... no plastic, velcro, or magnets

Colors: black, brown, red, turquoise

Removable thigh strap

Can be worn on belt or clipped to a "connector" that the belt runs through

Inside sleeves on lid and behind phone for storage of money, license, cc's, key

Nipple rivet closure system allows single handed phone retrieval and replacement

Fits standard smart phones up through iPhone 6 and Galaxy S3 & S4 with external cover/case

This innovative design is where Embrazio got its start ... answering the question "how do you carry your phone when you ride in an attractive, well-fitting and easily accessible way." The rest has been a labor of love.
