

ROCKLER INTRODUCES INNOVATIVE T-TRACK HOLD DOWN CLAMP

Auto-adjust Feature Delivers Quick, Consistent Clamping

MEDINA, MN (March 12, 2015) - Rockler Woodworking and Hardware is expanding its T-Track System of work-holding innovations by introducing a hold-down clamp that automatically adjusts to the workpiece thickness to provide quick, consistent clamping.

The Auto-Lock T-Track Hold Down Clamp is an essential accessory for the Rockler T-Track Table (46654, sold separately), which features a grid of T-tracks across the table surface, or for any other application involving standard T-tracks. It sets up fast, sliding easily onto the track, and rotates 360° to deliver downward clamping pressure wherever needed. A locking wheel secures the base in the T-track.

The clamp foot has a non-marring pad and pivots to adapt to different clamping angles, and the clamp's auto-adjust feature eliminates the need for recalibrating when working with stock of different thicknesses. A push on the clamp handle delivers consistent pressure on workpieces up to 2-3/4" thick, and the force can be adjusted via an onboard set screw.

"Auto-Lock Hold Down Clamps are a key addition to the T-Track Table System," says Steve Krohmer, Vice President of Product Marketing at Rockler. "Having more options to secure workpieces and jigs gives do-it-yourselfers maximum freedom when they are using tools to further their projects."

By clamping from above, Auto-Lock Hold Down Clamps leave most of the piece open for sanding and other work. They also can be used to hold sacrificial pieces and to construct countless T-track jig setups. The clamps can also be used outside of T-track applications by affixing a mounting bracket (57940, sold separately) to the work surface and securing the clamp to the bracket.

Auto-Lock T-Track Hold Down Clamps (54280) are priced at \$29.99 each and can be purchased at Rockler Woodworking and Hardware stores nationwide, Rockler.com, or from the Rockler catalog. For store locations or a free catalog, please visit www.rockler.com or call 1-877-ROCKLER.

ABOUT ROCKLER WOODWORKING AND HARDWARE

Celebrating its 61st year as a family-run business, Rockler Woodworking and Hardware is the nation's premier supplier of specialty hardware, tools, lumber and other high quality woodworking and do-it-yourself products. Rockler has 29 retail locations in AZ, CA, CO, GA, IL, IN, MA, ME, MI, MN, MO, NH, NY, OH, OR, PA, TX, WA, and WI, as well as extensive catalog and internet operations.
