THE EQ-i 2.0 MODEL OF EMOTIONAL INTELLIGENCE

Emotional Intelligence is a set of emotional and social skills that influence the way we:

- **Perceive and express ourselves**
- **Develop and maintain relationships**
- **Cope with challenges and**
- **and Use emotional information in an effective and meaningful way**

The overall result of well-developed emotional intelligence is healthy emotional and social functioning, which is linked to well-being (and happiness).
