

# Employee Testimonials

“There are opportunities to teach (and learn) something new every day! The assignments, experiences and challenges are ever changing.”

Chris Hickman  
*Principal BI Consultant*

“What I love about working at DFT is the people... they are the best in the business!”

Christine Brady  
*Senior BI Consultant*

“I have been in IT for 20 years, and the reason I look forward to going to work at DFT everyday is my co-workers. Everyone I work with goes out of their way to help each other and make everyone successful.”

Ernie Phelps  
*Senior BI Consultant*

“Everyone at DFT is talented, hard-working, and supportive. The work environment is very collaborative but entrepreneurial in spirit, with dynamic projects and responsibilities. Because of this, we’re able to focus on delivering the best possible product to the client.”

James Mason  
*BI Consultant*

“I am one of those people who love my job. I feel like I am in a partnership with Decision First to provide the best possible services to our clients and to constantly improve and expand my knowledge base by working with the top consultants in the business. Twenty years experience in the industry and DFT is hands down the best company I’ve ever worked for.”

Michael Kiser  
*Senior BI Consultant*

“Working at DFT is great for many reasons, but the people and culture are the biggest ones. This is not your typical consulting company. Your coworkers and managers here care to see you succeed and grow on a daily basis. DFT feels more like a family than a company, one where everyone contributes and is highly appreciated.”

Rich Hauser  
*Senior BI Consultant*

“DFT is more than just a company, it's a family. It is an environment where each employee's strengths are highlighted, there is a willingness to help one another, and an overall great place to grow professionally!”

Ashley Taylor  
*Corporate Marketing Specialist*

“I like working at DFT because my potential is only limited to my capacity. There are no bounds to withhold the capabilities for learning and doing.”

Nicholas Hohman  
*BI Consultant*

“Decision First is full of talented and experienced BI experts. Not only have I grown my professional network by joining DFT, I've gotten to work with the latest technologies at some of the largest customers. DFT continues to be a great place to work and grow as a professional”.

Stephanie Huber  
*Senior BI Consultant*

“There are many reasons I love working for DFT, but the main reasons are our people and culture. We have a fun, collaborative environment with top talent and leadership that truly cares about the employees. I consider DFT my second family, and I am very proud to be part of such a successful and respected company.”

Cathy Rohloff  
*Account Executive*

“Working for Decision First has been an amazing experience. The world of Business Intelligence is constantly evolving by introducing new technologies, products, and methodologies at a rapid pace. Being a consultant at DFT allows you to be at the forefront of this evolution by our partnerships with industry-leading business intelligence and location companies; as well as working closely with other consultants that are considered the titans in the BI industry. We have clients all over the world, ranging from industries of finance, retail, manufacturing, government and the list goes on and on. The work is challenging but beyond rewarding. We work hard, we play hard, and at the end of the day we help businesses make more money, lose less money, and run more efficiently by getting the most out of their data.....and what successful business doesn't desire those achievable goals.”

Shaun Scott  
*BI Consultant*
