

Awake and Empowered Expo

April 24-26, 2015 | The Met Hotel | Troy | aaeexpo.com

You are living at the precise moment in which the civilization of the Earth will shift to an age of peace and enlightenment.... the midst of a global transformation that will affect every aspect of your life. It's an incredible time to be alive, and the signs of this are everywhere. The Awake and Empowered Expo is a celebration of this global shift in consciousness and an instrument for thriving in a new era.

Our 3-day expo includes an exciting line up of topics presented by speakers who are pioneers and experts in their fields. Our event is the culmination of groundbreaking information presented by pioneers and experts from around the world on topics including:

**Holistic Health | Longevity | Spirituality
Consciousness | Energy | Vibration Sound Healing**

Enjoy interactive demonstrations, participate in the meditative and energy balancing practices of Ki Qigong, and realign and strengthen the body through yoga and the vibration of planetary gongs and crystal bowls. And, explore a unique group of exhibitors and sponsors all under one roof. These innovative companies are advancing health and wellness with innovative products and services for a new age.

The Awake and Empowered Expo is a project of the Flower of Life Center for Human Evolution in Troy, Michigan and brought to you by its conference committee and members. Flower of life was founded to provide individuals with ideas, real world tools, and inspiration to cause a positive evolution in their lives and in the world.
