Edvance360 Named SIIA Education CODiE Award Finalist for both Best Corporate Learning/Workforce Development Solution and Best Postsecondary Learning Management Solution

*Edvance360 LMS-SN Continues to Earn Prestigious Education Industry Recognition
– Seven Years Running!*

WASHINGTON, D.C. (March 30, 2015) Edvance360, a leading provider of eLearning solutions, one of the top ten tools for online teaching, as well as 2011 winner and seven-time-finalist for the CODiE Award for Best Course or Learning Management System today announced that Edvance360 LMS-SN was named a finalist for the 2015 SIIA Education CODiE Awards for both Best Corporate Learning/Workforce Development Solution and Best Postsecondary Learning Management Solution. The SIIA CODiE Awards are the premier award for the software and information industries, and have been recognizing product excellence for 29 years. The awards have over 85 categories and are organized by industry focus of Content, Education, and Software.

This year's program features 28 Education categories, several of which are new or updated to reflect the latest industry trends and business models. New this year, top awards in three overall Education categories will also be presented. Overall categories include Best PK-12 Solution, Best Postsecondary Solution, and Best Education Solution. All winners will be announced during a special awards dinner at the nation's leading education technology conference, the Education Industry Summit, in San Francisco on May 5. The announcement will also be live streamed.

From SIIA:

"This year's finalists are breaking ground with new business models and innovative products. We are pleased to recognize the best in educational technology with these 157 products," said Karen Billings, vice president of the SIIA Education Technology Industry Network. "I look forward to honouring them all in May at the Education Industry Summit."

Details about each finalist are listed at siaa.net/codies/2015/finalists.asp.

From Edvance360:

"The honor of being a finalist for a seventh year is really exciting and continued validation of the benefits our clients have already received through our software and support," says Glen Moriarty, President and CEO of Edvance360. "We have always believed Learning

Management Solutions don't have to be cumbersome or expensive. Streamlined, learner-focused, and inexpensive solutions like Edvance360 provide exactly what educational institutions and corporate training programs have been missing."

"Edvance360 LMS-SN was built entirely from customer requests and creative innovation from our team. Being a finalist yet again for the CODiE award is proof that listening to your clients and responding directly to their needs and wants can lead your company to great things," said Paul Sanders, Creative Director at Edvance360. Seven years as finalists for the category of 'Best' simply confirms this and affirms our commitment to education and technology that facilitates learning."

"Being recognized for seven years of consistent excellence as a ten-year-proven-veteran in this market is something no other CMS/LMS vendor has ever achieved and will be difficult for another vendor to ever duplicate. We are unbelievably excited! This award, from our peers, is very important to those of us in the software industry," said Cathy Garland, Vice-President of Marketing & Sales. "Some awards are given only to paying members, but the CODiE Awards are well-respected because nominations and finalists are chosen by peer judges. We congratulate all our co-finalists and look forward to hearing the winning results. It's an honor to be a finalist seven years in a row."
