Non-Toxic ~ No VOCs 32 fl. oz.

Contains: water, sodium carbonate, borate, a proprietary blend of plant based surfactants, citric acid
CAUTION: Do not drink, eye irritant

Try our Alvára Sample Pack and replace all the toxic cleaners in your house or office in one simple purchase!

Don't feel sick and lethargic when cleaning, or worry about toxic fumes in your indoor environment. Our exposure levels are far below GREENGUARD Gold and many industrial exposure levels at practically zero.

Our cleaning products absorb odors instead of covering them up, and our no emission formulations* are specifically engineered for people with allergies and Multiple-Chemical Sensitivities (MCS). A non-toxic, hypoallergenic line of cleaners that remove stains and odors. It's safe for your environment and the lives that thrive in it.

Alvára Formulations

- No emissions. Exceeds UL Greenguard & CA Prop 65*
- Perfect for chemically sensitive people
- No VOCs
- No petroleum products or heavy metals
- No fragrance or color
- Eco-friendly
- Recyclable packaging
