Flix Brewhouse® Creating Nearly 200 New Jobs in Greater Indianapolis

[Carmel, Indiana – April 7, 2015] Flix Brewhouse, the world's only first-run dine-in cinema and microbrewery, is creating up to 200 new full and part-time jobs at its Merchants' Square location in Carmel opening at the end of April 2015. The new theater is seeking to fill a wide range of positions, including servers, service runners, bartenders, hosts, as well as concessions and kitchen staff. Hourly pay ranges from minimum wage to \$15, and part-timers as young as 16 are eligible. Special benefits include free movies and restaurant discounts.

The company is holding an on-going hiring fair through April 18. The fair will be held at its hiring center through April 15 in space G106, across from Cost Plus World Market in Merchants' Square (open daily from 9am to 1pm and from 2pm to 6pm), and in Flix's lobby through April 18. Prospective Flix team members can learn more about available positions and apply and interview on site at Flix's hiring center immediately, through April 15. Thereafter, applications can be made in person at Flix Brewhouse or online at www.flixbrewhouse.com/flix-brewhouse/employment.

Flix Brewhouse® is both an emerging national craft brewer and a cutting edge cinema-eatery that serves upscale, nouvelle pub cuisine while guests enjoy the best entertainment Hollywood offers. Texas-based Flix Brewhouse® has plans to expand to at least 15 units over the next several years. More information can be found at www.flixbrewhouse.com.
