

## Edvance360 Counts Down to CODiE Awards Announcement

Edvance360 LMS-SN™ eagerly awaits the announcement of CODiE Awards to all the finalists, including those in the categories of [Best Corporate Learning/Workforce Development Solution](#) and [Best Postsecondary Learning Management Solution](#), the latter of which Edvance360 has been finalists for seven years running (and took the award in 2011). Live interview included in press release.

**(Virginia Beach, VA)** Edvance360, a leading provider of [eLearning solutions](#), one of the [top ten tools for online teaching](#), as well as 2011 winner and seven-time-finalist for the CODiE Award for Best Course or Learning Management System, was interviewed regarding their consistent top-tier LMS status:

"[This] kind of consistency is rare. Especially within technology companies and within CMS/LMS providers. In this market, the competition is fierce and many companies start up and disappear or are bought by the big guys...We also won in [this] category in 2011."

- *Cathy Garland, Vice-President of Marketing & Sales, Edvance360*
